### What is BroccoLife NMN™ with 5% NMN?

BroccoLife NMN™ containing All-Natural 5% NMN is for Energy and Neuroprotection. NMN is Nicotinamide Mononucleotide.

NMN is a naturally occurring molecule in Broccoli. The molecule NMN, known for its relationship to NAD+, is preferred by many health-conscious people keen on extending the human lifespan. NMN is important for monitoring the homeostatic functions of NAD+ levels and moderating age-related complications.

BroccoLife NMN™ is an All-Natural Source of concentrated NMN. Broccoli (*Brassica oleracea*) is already popular for its Nutritional Profile. All natural NMN is potent and concentrated in the Broccoli Plant Extract. BroccoLife NMN™ with 5% NMN offers a range of health benefits due to the COMBINED EFFECTS of the bioactive compounds in Broccoli and NMN.

### About Vesta's BroccoLife NMN™

BroccoLife NMN™ contains all-natural concentrated levels of NMN. BroccoLife NMN™ contains sulforaphane, glucosinolates, and flavonoids for antioxidant and anti-inflammatory properties. Additional benefits of BroccoLife NMN™ with 5% NMN include increased energy and anti-aging properties.

### Benefits of BroccoLife NMN™

- Anti-Aging Properties
- Enhanced Energy Metabolism
- Neuroprotection
- Cardiovascular Health
- Anti-Inflammatory Effects
- Metabolic Health

**Vesta**®

Vesta Ingredients, Inc.

Broccoli is a green cruciferous vegetable with many health benefits. Consider benefits of a supplement for BroccoLife NMN™ with 5% NMN. The antioxidant and anti-inflammatory properties of broccoli extract are complemented by the cellular energy-boosting effects of NMN. This combination of Broccoli and NMN provides a synergistic effect for overall health and well-being.

Broccoli Plant Extract™ with 5% NMN may assist with aging-related muscle and skeletal deterioration, weight gain, improved eyesight, and insulin sensitivity by boosting the activity and levels of NAD+ molecule.

### Why Take BroccoLife NMN™ ?

- Enhanced Cellular Energy: NMN is a precursor to NAD+, a molecule essential for energy production in cells. Broccoli Extract with NMN can boost cellular energy and support overall vitality
- Contains Sulforaphane with anti-cancer properties
- Antioxidants to help combat oxidative stress and reduce inflammation
- Heart Health and help lower cholesterol levels
- Skin Health and reduce blemishes

### Product Information:

- Appearance: Powder
- Odor/Taste: Characteristic
- Dosage:
- Do not use this product, unless advised by a physician, if you are pregnant, attempting to become pregnant, nursing, taking any medications, or have any chronic medical conditions. Do not drive or operate machinery within eight hours of taking this product

### Packaging & Storage:

- Do not freeze/thaw
- Package Unit: 5kg
- Store in a cool dry place away from prolonged, direct sunlight exposure

### Uses and Product Integration:

- Dietary Supplement
- Capsules/Tablets/Powder
