PRODUCT INFORMATION

Liposomal Organic Silicon Standardized

Vesta Ingredients has been a leader in the nutraceuticals industry for over 30 years. The superior quality of Vesta Brand's raw ingredients has ensured the success of our clientele.

LipoOrganiSil™

Liposomal Silicon

Vesta®

What is LipoOrganiSil™?

Vesta's LipoOrganiSil™ is a Liposome Silicon supplement containing the Most Highly Absorbed form of Silicon, also called the Mesoporous Silica Nanoparticle (MSN).

About LipoOrganiSil™:

LipoQuest™ Liposomal technology significantly improves Silicon absorption over conventional supplements. Vesta's LipoQuest™ has documented an Over Four-fold (> 4x) enhancement of standard supplement ingredients.[†] LipoOrganiSil™ by LipoQuest™ provides health benefits of Organic Silicon for Bone, Hair, and Skin.*

LipoOrganiSil™ Benefits:

- Bone Collagen and Bone Mineral Density
- Hair is Stronger, more Elastic, and Harder to Break
- Decrease in Skin Roughness and Nail Brittleness

Why LipoOrganiSil™?

Silicon is necessary for the synthesis of collagen and elastin. The collagen acts as a scaffold that provides support to the tissues, whereas elastin gives elasticity to tissues, skin, hair, and blood vessels. Vesta's LipoOrganiSil™ Silicon Supplement supports collagen and elastin to benefit the connective tissues, bones, cartilage, tendons, and joints.

LipoOrganiSil™ Supports:

- Bone, Tendons
- Hair, Skin, and Nails
- Arteries and the heart

Liposomal Silicon

Vesta Nutra®

Mechanism of Action:

Vesta's LipoOrganiSil™ uses an Organic Silicon (MSN) as the most readily absorbed form of Silicon. The Liposomal Silicon optimizes cellular uptake while minimizing degradation in the digestive tract. The dose of 15 – 30 mg / day LipoOrganiSil™ will safely provide 5-10 mg of elemental silicon.

LipoOrganiSil™ Supplement Specifications:

- Name: LipoOrganiSil™ Liposomal Organic Silicon
- Tan to Off-White Crystalline Powder
- Shelf Life: 36 months from manufacture date
- Dose: 15 – 30 mg / day (5-10 mg of elemental Silicon)
- Form: Capsules or Powder
- Packaging: UV-protective bags
- Water Dispersible

Advantages of LipoOrganiSil™ Liposomal Organic Silicon:

- High Bioavailability
- No Stabilizer required
- Well-tolerated Safety profile
- Extensive Research is available
